

Jan. 2005

Dear Sergio & Glen -

It has been such a pleasure working with you both. Thank you so very much for the beautiful paint job you did in our home - we are so pleased! You are such special people, a true joy to have around and chat with - we hope to do more work with you in the future providing Dianne will allow you the time! 😊 Many thanks again for such a wonderful job!

Sincerely, Gary & Paula
